EDUCATION

BACHELOR OF CIVIL ENGINEERING

Madan Bhandari Memorial Academy Nepal, Pokhara University |
currently a 4th year student

SECONDARY LEVEL SCHOOL

Oxford Secondary School

I have completed my secondary level schooling from this institution with the CGPA of 3.08
| 2020

RELEVANT SKILLS

- **Structural Analysis:** Proficient in analyzing and designing structures for stability, safety, and load-bearing capacity.
- **Project Management:** Skilled in managing timelines, budgets, and resources for construction projects.
- **AutoCAD & ETABS:** Expertise in using AutoCAD for drafting and ETABS for structural modeling and analysis.
- **Construction Materials & Methods:** Knowledgeable in selecting appropriate materials and construction techniques for efficiency and durability.
